@TEMPLEURHA - @TEMPLENRHH

Residence Hall Association, or RHA, is a student organization that works to advocate for on-campus residents wants and needs. We host large scale events that are fun and engaging for residential students! Be sure to follow @TEMPLEURHA on Instagram so you never miss an event.

WANT TO GET INVOLVED?

RHA oversees a council of on-campus living students that share the same mission of creating a fun and welcoming environment for all. General body members all equally engage with planning and hosting events for their peers. We will meet once a week to discuss fun events that will bring together our community. If you are interested in joining, please come to our Student Leadership Development day on September 6th in the Student Center!

WHAT HAVE WE BEEN UP TO?

RHA has already been hard at work! Before residents even moved in, our new E-board has been training and planning for the upcoming year. Our first event was a joint project with Temple's Sustainability Office to recycle boxes that students bring in during move-in. We were able to keep so much cardboard from being sent to the trash and it was a very successful event! Our next big event was a collab with the Main Campus Programs Board (or MCPB) to host activities for TUPalooza! We offered fun games and crafts for students and had a great turnout!

WHAT HAVE WE BEEN UP TO?

NRHH has already been working on campus to get ready for the upcoming semester and to reach new potential members! We tabled at TempleFest alongside RHA and met so many students on campus who were excited to make a difference in their community. During the first week of classes, NRHH has been tabling in different resident halls, meeting students on campus and writing positive messages for the first week of classes.

MEMBER SPOTLIGHT

Our first member spotlight of the year is Addie May! Addie May serves as our Director of Administration and has already done a great job helping keep RHA organized and supporting the team behind the scenes. She's looking forward to getting more residents involved, building community, and making this year a great one!
