Summer Dining Package Overview

What is a summer dining package?

A summer dining package unlocks meals at select Temple Culinary Services locations during the 2026 summer session. Each dining package includes an **allotment of meal swipes expiring at the end of the session**.

Your summer dining package will be valid from **May 11th through August 21st** and can be used at the following locations during the designated timeframes:

- **Chick-fil-A** at the Howard Gittis Student Center (*May 11th through August 21st*)
- **Esposito Dining Center** at Johnson & Hardwick Hall (*June 22 through August 21st*)

All meal tickets require a reservation and are non-refundable and non-transferable for the specific date and meal period selected.

Meal swipes are meals included in your summer dining package, which can be used two ways:

- to enjoy **all-you-care-to-eat dining** at Esposito Dining Center
- as **meal equivalency** credit toward the purchase of à la carte food items at Chick-fil-A®.

You can use a single meal swipe in our all-you-care-to-eat dining location and up to 2 meal swipes per transaction in retail settings (*excluding coffee and convenience outlets*) with a maximum meal swipe allowance of 4 meals per meal period – until the limit included in your meal plan is met.

How much is a meal swipe worth when used as *meal equivalency* at Chick-fil-A®?

When used as meal equivalency, the value of a meal swipe at Chick-fil-A® is \$10.50. If the total of your transaction is over the meal equivalency rate, you can use another meal swipe, cash or credit to cover the cost of any remaining balance.

Am I allowed to treat friends or family to a meal using my summer dining package?

Although your meal swipes are just for you, you're welcome to treat friends and family to a meal using cash or credit.

What stations will be available at Esposito Dining Center during the summer session?

There will be modified station availability. Please check *my dining hub* for station openings and daily menu offerings.
